SPEED QUEEN MULTI-HOUSING

QUANTUM® GOLD COIN DROP INSTALLED, PREP FOR COIN, PREP FOR CARD

COMMERCIAL REAR CONTROL SINGLE DRYER

Built for Reliable Performance

Speed Queen's dryer, defined by its simplicity and its performance, provides everything you need to get the job done - and nothing you don't. Speed Queen's single load dryers combine heavy-duty construction with reliable operation proven to stand the test of time. They're designed with less moving parts for one reason: so you'll face fewer maintenance problems and less wear and tear down the road. Speed Queen's dryers provide the perfect balance of heat, airflow and tumble action for optimal performance and efficiency.

- · Integrated meter case
- Industry's largest door opening 2.06 sq. ft. (1914 cm²)
- Quiet, efficient blower system
- Door is reversible for installation flexibility
- High efficiency exhaust blower with superior airflow 220 cfm ((105 liters/sec)
- 100% serviceable from the front
- Space-saving narrow cabinet 26.875" (683 mm)
- Upfront lint filter easy to clean and secured
- Durable galvanized steel cylinder
- · Large capacity coin box standard

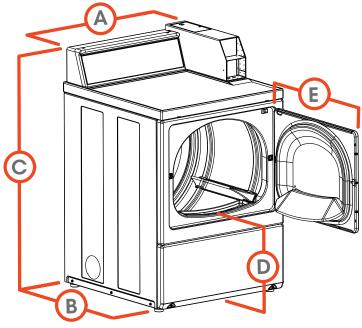

Cutting edge Quantum control system from Speed Queen gives you the freedom to manage laundry your way and the power to achieve unmatched levels of revenue. This revolutionary technology provides users with more cycle choices than ever, offers unprecedented options to help lower operating costs and incorporates tools and options to increase revenue.
